

# The KRE Scooter Policy

Whereas the Memphis Mafia members participate fully in KRE events throughout the year with the sole exception of parades during Carnival; and

The FIRST scooter ridden by KRE members in any KRE event must be purchased via the KRE scooter ordering/dues payment program.

Eligible Memphis Mafia members shall be afforded an opportunity at their discretion to purchase a scooter at the time they are to pay dues for the relevant years for use in non-Mardi Gras events and for participation in Mardi Gras parades in the event they are the recipient of a substitute spot under the Substitute Rider Policy.

Any Memphis Mafia choosing to and actually purchasing a scooter through the KRE scooter ordering program during any year of Memphis Mafia service shall be exempted from any requirement to purchase a scooter in the year he is elevated to Full Rolling Member Status, if that shall occur.

Memphis Mafia members who own a scooter can take part in non-Mardi Gras KRE events throughout the year only on scooters purchased via the KRE Scooter program.

There will be NO change in the eligibility of Memphis Mafia members to ride in the Mardi Gras parades, except to the extent the Substitute Rider policy will afford some lucky Memphis Mafia members to roll as a result of the lottery.

The purchase of a scooter in NO WAY shall affect the status of a Memphis Mafia member at any time nor will it affect the membership prospects of a Memphis Mafia in their application as a full member.

To be crystal clear to all Mafia Members: The Scooter will enable you to take part in non- Mardi Gras events involving scooters and generally be awesome, but will NOT entitle a Mafia member to any preference in selection as a full member. Mafia members purchase scooters at the risk they may never be invited to join as a riding member.

After one purchases their first scooter through the KRE scooter purchasing program, he may later choose to obtain additional scooters through other avenues, i.e. purchase, gift, etc. Additional scooters obtained outside the KRE scooter purchase plan must meet all of the following requirements in order to maintain compliance with the vision of the KRE and the guidelines of our insurance policy

- Scooters must be 49cc or less
- Scooters must weigh less than 125lbs
- Scooters must be approved by the KRE board of directors prior to purchase  
(Members will be asked to submit a photo and model number for approval)

Failure to comply with these 3 requirements will prohibit any scooter purchased outside the KRE scooter policy from being used in any KRE sanctioned event and could result in other actions, up to and including indefinite suspension of membership at the discretion of the Board of Directors.
